This Voucher entitles you to a free 30 minute information session with one of our Collaborative Lawyers.

If you or your spouse or partner are interested in finding out more about the collaborative process, contact one of the participating law firms to arrange a meeting with a Collaborative Lawyer. We will explain the collaborative process to you so that you can decide whether or not it would help in your circumstances.

Alternatively, our lawyers are happy to give you this information over the telephone if that is more convenient.

In addition, this voucher can be used for a free 30 minute consultation with one of the specialist Resolution Accredited Independent Financial Advisers (IFAs).

Feel free to print off this Voucher and give it to your spouse or partner.

For a list of the Collaborative Lawyers and IFAs in our group and the firms where they can be contacted, please visit our website at :

Please note that although we can give you information about the collaborative process at this initial free meeting, we are unable to give you any legal or financial advice at that stage. Please talk to the lawyer or IFA about how you can obtain legal or financial advice.
